

WILSON - WE PLAY TO THE MAX! 10 YEAR WARRANTY!

Promotion extended until the end of 2025

Wilson continues promotion with 10-year warranty on passive loudspeakers.

Warsaw, January 2, 2025 - We are extremely pleased to announce that the much-appreciated promotional warranty, which covers all Wilson passive loudspeakers, is being extended until December 31, 2025.

The 10-year warranty is completely free of charge and valid in all sales channels and countries where our passive loudspeakers are sold. Wilson thus continues to be one of the few loudspeaker brands of its category that takes care of its customers' comfort in this way, providing above-standard service protection at no cost for as long as 10 years.

The rules are very simple. Just purchase any Wilson passive loudspeakers yourself by December 31, 2025, at any store, and your new loudspeakers will be protected for 10 years starting from the date of purchase.

You don't have to do anything, just keep the proof of purchase and warranty card you received at the time of purchase. Your speakers will be automatically protected for 10 years according to the terms of the promotion from the date on the sales document, and if a warranty defect occurs, contact our service center - all information can be found at www.horn.eu.
